

MindSparkz
Product Brainstorm Sessions

Wow your customers and new prospects with innovative brainstorm. Our team know what it means to design for manufacture. We are specialists in Promotional Products, POS & Packaging.

What we offer

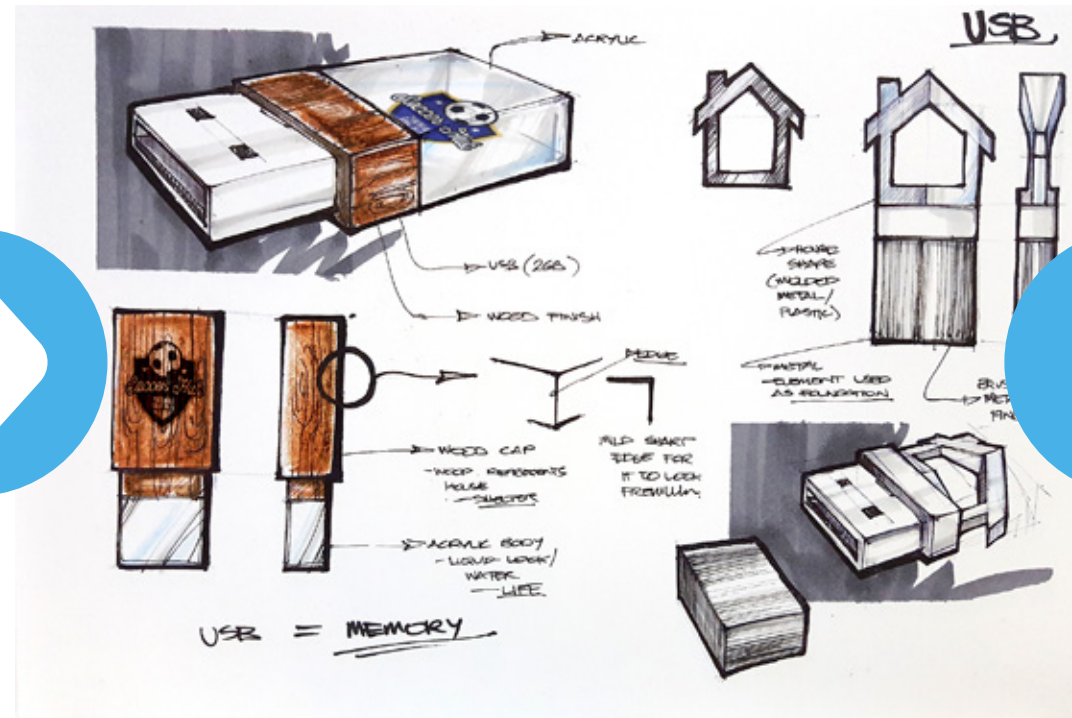

Product brainstorm sessions work best when we get a great brief with Client's past work & promotions, suggested quantities, budgets and any design preferences. Each brief is fully tailored to the client we are targeting and clients should expect 15-25 concepts per session.

Process involves

- Researching the Brand
- Brainstorm session with 5-10 staff
- Initial sketching
- Concept validation
- Presentation to Client
- Rework based on comments
- Upload on client templates
